Association Members

Version 1 (Instagram, LinkedIn, Facebook)

I have been supporting the @European Forum Alpbach for years because I truly believe in its mission and impact! As an Association Member of the #EFA, I am proud to be part of a community that fosters meaningful dialogue, innovation, and collaboration between the next generation and European key actors from politics, economy, science, civil society and culture for a better Europe.

Thematic Tracks of the #EFA23 will once again focus on four main challenges of our time:

- Rallying for Climate Action
- Fighting for Europe's Economic Sovereignty
- Securing Europe in a Multipolar World
- Reinforcing Democracy in Europe

I would like to invite you to participate, debate and exchange your ideas at the #EFA23!

Don't miss this incredible opportunity to join our community and become part of the positive change we're making.
